Full stack web developer, extremely competitive with demonstrable leadership skills who takes ownership of tasks and drives problems to pragmatic solutions. Passionate about software development, problem solving, and finding solutions to technical problems. Eager to grow and expand my knowledge of languages and software. Excited to join a professional, hardworking career/project, fiting the piece of a team.

TECHNICAL SKILLS

JavaScript ES6+, CSS3, HTML5, SQL, Sequelize, GitHub, MongoDB, Mongoose, MySQL, Express, React, Node, Handlebars, jQuery, React Router, GraphQL
